Important Notice

MageWorx reserves the right to make corrections, modifications, enhancements, improvements, and other changes to its products and services at any time and to discontinue any product or service without notice. Customers should obtain the latest relevant information before placing orders and should verify that such information is current and complete. All products are sold subject to MageWorx' terms and conditions of sale supplied at the time of order acknowledgment.

MageWorx warrants performance of its products to the specifications applicable at the time of sale in accordance with MageWorx' standard warranty. Testing and other quality control techniques are used to the extent MageWorx deems necessary to support this warranty. Except where mandated by government requirements, testing of all parameters of each product is not necessarily performed.

MageWorx assumes no liability for applications assistance or customer product design. Customers are responsible for their products and applications using MageWorx components. To minimize the risks associated with customer products and applications, customers should provide adequate design and operating safeguards.

MageWorx does not warrant or represent that any license, either express or implied, is granted under any MageWorx patent right, copyright, mask work right, or other MageWorx intellectual property rights relating to any combination, machine, or process in which MageWorx products or services are used. Information published by MageWorx regarding third-party products or services does not constitute a license from MageWorx to use such products or services or a warranty or endorsement thereof. Use of such information may require a license from a third party under the patents or other intellectual property of the third party, or a license from MageWorx under the patents or other intellectual property of MageWorx.

Resale of MageWorx products or services with statements different from or beyond the parameters stated by MageWorx for that product or service voids all express and any implied warranties for the associated MageWorx product or service and is an unfair and deceptive business practice. MageWorx is not responsible or liable for any such statements.

The screenshot shows a Magento shopping cart page. At the top, there is a search bar and navigation links for 'My Account', 'My Wishlist', 'My Cart (1 item)', 'Checkout', and 'Log In'. The language is set to 'English'. The main heading is 'Shopping Cart' with a 'Proceed to Checkout' button. The cart table contains one item: a red chair with a unit price of \$129.99 and a quantity of 1, resulting in a subtotal of \$129.99. Below the table are 'Continue Shopping' and 'Update Shopping Cart' buttons. A 'DONATION' widget is present, featuring a logo for 'CATHEDRAL GERONTOLOGY CENTER, INC.' and a text prompt: 'Send your donation to Cathedral Gerontology Center to help serious case patients.' It includes a text input field, an 'Add Donation to My Order Total' button, and a note that the minimum donation is \$10.00. To the right, a summary box shows a subtotal of \$129.99 and a grand total of \$129.99, with another 'Proceed to Checkout' button and a link for 'Checkout with Multiple Addresses'. At the bottom, there are sections for 'Based on your selection, you may be' and 'DISCOUNT CODES'.
